Re: Letter of Reference for J.Compton Painting & Paperhanging

To whom it may concern:

Prologis is an owner/manager of industrial properties in over 20 different countries around the world. We currently own 3.1 million square feet in the Greater Las Vegas Valley and have been utilizing the services of J.Compton Painting & Paperhanging for many of our interior and exterior painting needs in Southern Nevada. Jeff's team has been professional and courteous to our customers and our employees on every project we've contracted with them. No job has been too big or too small.

J.Compton is competitive with bids and flexible with scheduling. They go the extra mile to ensure a job well done by completing extensive preparatory work and ensuring that all jobs are done to our satisfaction and standards.

Jeff and his team are a true pleasure to work with and they take the "management" out of Property Management when working on one of our properties.

Kind regards,
Prologis
