From Cartmill Rogers Construction Company

Please consider this letter our highest recommendation for Jeff Compton and J. Compton Painting & Paperhanging. We have used Jeff and his company for 14 years to perform painting, staining, and wall covering services as a subcontractor for Cartmill Rogers Construction Co. and our sister company, O.B. Construction.

Jeff's quality of work is unsurpassed, his pricing is always competitive and as with all construction jobs, when a problem occurs, he gets it handled expeditiously and professionally.

We would recommend J. Compton Painting to anyone looking for a quality painting & wall covering contractor.

Sincerely,

Kerry Cartmill, Richard B. Rogers

From a Spanish Oaks HOA Home Owner

The painters from J. Compton Painting just finished my house. This was the finest painting that had been done in my 26 years in Spanish Oaks. The crew was headed by Carlos, who was well organized and a good supervisor. Their stucco repair was outstanding, there were no over spray marks on windows, and they came back to touch up where needed. They were friendly and very careful about not breaking any floodlights or sprinkler risers.

Dr. Kogan lives just a few doors away and he feels that the painting of his house is the finest that has been done in 29 years in Spanish Oaks.

If it had been the intention of Carlos and his crew to do a superb job, in my opinion, they have succeeded admirably.
