

THE BUILDERS LLC

To Whom It May Concern:

We have worked with J. Compton Painting for 15 years. Jeff and his crew have completed several hundred painting and wallpaper projects ranging from Class A office interiors as large as 90,000 sq.ft. to three story concrete tilt up buildings for some of the major developers in the Las Vegas valley.

J. Compton Painting's quality, pricing and adherence to project schedules have always given us an edge against our competition and the highest quality finished product to ensure repeat customers. Additionally, Jeff operates his company with the highest integrity. You can always trust what Jeff tells you, and he honors his commitments.

We are have considered J. Compton painting a member of our "A" Team, and we have valued our relationship for more than a decade.

Please feel free to call if you would like further information about Jeff and his company.

Sincerely,

Jeff Brook
Principal
